GENERIC PLOT PLAN & SKETCH - (MUST PROVIDE SURVEY)

- Locate dwellings on land to be fenced indicating setback from street and side yard measurements.
- Locate structures within 50' of fences proposed.
- Locate nearest intersection.
- Fences can be located on the property line as long as to maintain it you will not go onto neighbor's property.
- Fences on corners must be approved by the police within 7 days of completed application

Fences must be constructed with the **finished** side facing outward from the property
& the structural side facing the **interior**.
