OPEN SESSION:

Councilman Ashley asked about the costs associated with resolutions 2014:317 and 2014:318 and suggested it should be part of the resolution.

1. 2015 Budget Committee
   Councilman Elect Cabrera, Councilman Colucci, and Mayor Subrizi volunteered to serve on the Budget Committee.

2. 2015 Finance Committee
   Councilman Putrino and Councilman Ashley agreed to serve on the Finance Committee. Mayor Subrizi offered to serve as an alternate if necessary.

3. Library Board of Trustees – Composition and Terms
   Councilwoman Grant said Ruth Miller has agreed to resign, in order to correct the board member's terms, as long as she is reappointed. Her reappointment will expire 12/31/16. The Administrator asked about the reappointments for Tina DeLucia and Norman Frolow noting that one would have to expire on 12/31/17 and the other would have to expire on 12/31/19 in order for the terms to be completely staggered. Councilwoman Grant said she would bring this to the Board at their meeting on December 18th and will bring the response back to the Administrator.

4. PD Policies and Procedures – Chain of Command
   Mr. Leibman referenced the Chain of Command section of the Police Department Policies and Procedures and suggested it should be codified by ordinance. The Council unanimously agreed it should be added to the Borough ordinance. The Clerk will prepare the ordinance for introduction.

5. Best Practices – End Payment in Lieu of Health Benefits
   The Administrator reminded the Council of a question from the Best Practices Checklist which asked if the municipality had explored all necessary actions to end payments in lieu of health benefits. The purpose of the question is to ensure governing body members participate in an adequate discussion about the municipality's policy regarding payment in lieu of health benefits, which discussion should include the establishment or updating of a policy which defines whom, if anyone, payments in lieu of health benefits should be offered. The Administrator said as long as the governing body has had a thorough and adequate discussion the municipality can answer affirmatively.

   The Administrator said there is something in all of the collective bargaining agreements, as well as the Borough's Policies and Procedures, to provide for a payment in lieu of health benefits. In order to eliminate the benefit it would have to be negotiated out of the agreements. She also advised there are currently only two people who are receiving the payment in lieu of benefits and she knows of two others who are considering it. She said the cost to the Borough is still less when we pay the employee in lieu of providing benefits than if we were to insure them. The Council unanimously agreed it is in the Borough's best interest to continue to offer the payment in lieu of benefits.

Mayor Subrizi said she and Mr. Leibman would be meeting with the Bergen County Historic Preservation Advisory Board on December 22nd at 7:00 PM for a discussion regarding the purchase of a historic home in town. She asked for one other member of the Council to attend. Councilwoman Grant volunteered to attend.

6. Administrator's Report
   The Administrator said Councilman Putrino would like to share the draft of the new recycling calendar with the Council for their approval prior to it being printed and distributed

to the residents. Mayor Subrizi suggested it would be better to discuss this during the public meeting.

The Administrator referenced a previous discussion regarding the animal control contract and reported the current contract, with Bergen County Animal Control, could be cancelled with ninety days written notice. She asked if the Council wished to cancel the contract in order to enter into an agreement with Bergen County Humane Enforcement. BCHE has provided a proposal for service that represents an annual savings of $2,253. Over the nine months remaining after a ninety day written notice of the cancellation it would be a savings of $1,689.75. The Mayor asked if BCHE provided any references. The Administrator read from a list of references which included the Borough of Palisades Park. Councilman Ashley said Palisades Park has had a positive experience with BCHE. Councilman Colucci said East Rutherford recommends them as well. Mayor Subrizi reviewed the BCHE proposal for the Council. Councilman Robalino asked if they would be willing to attend a work session. The Council agreed to have BCHE attend the January 12th work session.

The Administrator reported there have been numerous issues with the new solid waste contractor with repeated reports of missed streets and homes. She said she and the DPW Superintendent met with the owner on December 11th after having met with their managers and route supervisors on multiple occasions. She said the owner has assured her the problems will be resolved.

The Administrator reported on a proposed low cost solution to a safety issue that has been raised with regard to the violations department. The work will be done in house and will require minimal materials.

The Administrator reported the receptionist in the Clerk's office has tendered her resignation effective December 31st. The Administrator said she has since indicated that she may be able to stay on for a short period of time beyond the 31st and would be willing to pitch in on a per diem basis until the position can be filled.

Councilman Robalino made a motion to reconvene in Council Chambers. Council President Duffie seconded the motion. All present in favor, none opposed.

PUBLIC SESSION: (Actual Start 8:57 PM)

He said the calendar has been changed from a two page document to a one page document, thereby eliminating the waste of each household discarding half of the calendar. He said the calendar will be bigger but will result in a savings on postage because it will only be one page. He said the revised calendar will be issued upon the Council's approval. The Council had no objection to the revision.

Council President Duffie reported on the December meeting of the Board of Health. She said there was a motion and a second with a resolution regarding Mid-Bergen's proposed increase of 10%. The Board will be contacting Mid-Bergen regarding four conditions to continue with their services – 1) the Board will accept a 2% increase; 2) requesting a contract in place by February 1st between the Borough and Mid-Bergen; 3) requesting a schedule of fees regarding the child health clinic by February 1st; and 4) the provision of a computer for the Borough's Health Inspector. Mayor Subrizi said she would be acting as the liaison for the Board of Health in 2015 and thanked Council President Duffie for her work with the Board.

Council President Duffie directed her next comments to the newly formed budget committee asking for 1) start-up money for the Beautification Committee; 2) the implementation of a program to replace all of the signs in town (welcome, parks, library); 3) the continuation of the child health clinic through the Borough's Health Department; and 4) consideration to the expansion of the Social Services Department to address the many needs of the residents of New Milford.

Councilman Colucci read a letter of thanks from the Almeria Fire Department for the donation of the 1986 Mack fire truck.

Councilwoman Grant referenced a question from a resident at the last meeting regarding clear cutting of trees on property at the south end of town. She asked if anyone had looked into the matter. MEMO

TO: Chris Demiris, Administrator DT: 9 December 2014

RE: Oritani Bank Tax Court Appeal
Block 502 Lot 4
900 River Rd.

FR: Maureen E. Kaman, CTA

Oritani Bank has been on appeal since 2012. I've attached a chart below showing the assessments and the taxes.

Over the years, they have not responded to our request for information or for a conference. However, apparently another attorney for the Oritani is handling the case and Marc has forwarded to me a settlement proposal.

Year on Appeal	Assessment	Taxes Paid	Tax Rate	Resolution	Ratio
2012	$934,200	$22,869.22	2.448	Withdraw	101.25%
2013	$888,000	27,403.68	3.086	Withdraw	107.30%
2014	$888,000	28,043.04	3.158	$772,200	90.58%
2015	$706,700			$706,700	88.34%

I've reviewed appraisals I have on other banks and I think this is a good settlement. Taxes are paid to date. I will ask Marc to have any refund due from the 2014 resolution to be applied to 2015 taxes. I estimated it to be $3,656.96. We will not get a Judgment until 2015 any way. As to 2015 assessment, I will make that change so there is no 2015 appeal.

I ask that a resolution be passed by the Mayor & Council at their next meeting approving this settlement.

Council report=12/15/14

DPW All normal maintenance according to the monthly report has taken place.

Vince Cahill informed me he had a recycling asphalt firm who the Mayor and I met at the league of municipalities. He is working on a cost analysis and will present to me.

BUILDING AND GROUNDS:

Normal cleaning and maintenance as reported in the monthly report.

FIRE DEPARTMENT:

I could not attend the advisory board monthly meeting held on 12/15/14

I have not received a full report regarding hours of training/maintenance. The new year will start with a monthly complete report.

Santa detail, 23rd annual toy drive was on December 14, 2014. Thank you to everyone, including the Girl Scouts for their help and generosity.

The department has located a 4 wheel drive vehicle that will be donated to the fire department for the purpose of towing a boat. The vehicle currently has a blown transmission but possibly maintenance line can help with the repair in next years budget.

The Bergen county Fire Chiefs meeting will be held at company 1 on December 18 2014.

The buildings now have completed closing in the structures as far as roofing and window installations and interior work is underway on both sites.

I presented Chief Jerimiah M. Nolan with a 20 year award at the Annual Department dinner.

Department is still trying to obtain a list of vacant homes throughout town.

I would like to have board of Ed cooperation in having the grammar school in New Milford participate in Fire Safety week, which is still a mainstay in many districts, but not ours.

As co-liaison for the Recreation Committee, I am responsible for their second monthly meeting. However, it was cancelled (originally set for third Wednesdays) Dec. 17.

The Municipal Drug Alliance meets on the third Thursday, they also cancelled for last Thursday, Dec. 18th.

Finally, The Board of Education met on Monday, Dec 15, but because of our own meeting, there was a conflict in my attendance.
